

Connecticut National Guard Counterdrug Employment Opportunities

The following are pre-screening requirements prior to be considered for a position in the Connecticut National Guard Counterdrug Program

(1) Urinalysis testing upon entry. (All States Log #P01-0019) on active duty, and periodic testing while on active duty. These requirements are in addition to testing by units of assignment during IDT/IAD under ADAPCP or the ANG Drug Abuse Testing Program.

(2) Requirement to continue attendance at IDT/IAD and AT while on FTNGDCD.

(3) Status of funding from year to year.

(4) Probability of criminal records checks, and/or security screening by Law Enforcement Agencies (LEAs) of applicants serving in LEA offices or in positions where they are privy to operational information of LEAs. Applicants will be informed that such inquiries are likely to be completed after entry on duty and that rejection by LEAs could result in their removal from the counterdrug program.

(5) Standards of Conduct.

(a) Members are required to uphold the highest standards of conduct and personal appearance. Outside employment, associations and off-duty conduct/activities

As Counterdrug positions become available in the Connecticut National Guard, our office sends out advertisements to all Connecticut Army National Guard or Connecticut Air National Guard units (depends on monies available) for posting on unit bulletin boards. Applicants for advertised Counterdrug positions must be current members in good standing of the Connecticut National Guard and meet all requirements outlined in NGR 500-2 and our State Plan. These include being qualified in your assigned MOS/AFSC, recommended by unit commander, having a favorable current NAC/ENTNAC, and meeting active duty induction medical standards just to name a few.

If you're not a member of the Connecticut National Guard and you plan on joining the Connecticut Army National Guard or Air National Guard, you should contact a recruiter to find a Connecticut National Guard unit that has a vacancy with your MOS/AFSC. Thanks for your interest in our Program.
